

Special Invitation for QAIS Parents

The Quebec Association of Independent Schools is pleased to invite you to a virtual speaker event on May 13, from 7 - 8 pm, featuring Tiffany Jewell, #1 New York Times best-selling author of *This Book is Anti-Racist: 20 Lessons on How to Wake Up, Take Action, and Do the Work*.

Ms. Jewell will be speaking about *Anti-Racist Parenting Best Practices*. She will also be speaking to students on May 11 prior to the parent presentation on the theme of *Waking Up, Taking Action, and Doing the Work: Growing Into Your Antiracist Self*. You are receiving this invitation because your child's school will be participating in the student lecture on May 11.

Timely and relevant, *This Book is Anti-Racist* is geared towards students in grades 7 and up. Jewell guides readers towards a deeper understanding of their own identities, explains why some people in society are allocated more privilege than others, and gives them practical tools they can use to help build an anti-racist world.

While schools will be receiving some copies of the book, parents can purchase individual copies online from Babar Books at a 15% discount, which will be delivered to your children at their respective schools. We encourage you to read the book with your student. When you register for the event, you will have the opportunity to submit questions.

Kindly register by May 7 at: [Parent Registration Form](#)

We hope you will join us for this ground-breaking and thought-provoking event!
