

Dress code

General information

In order to strengthen the sense of community at the school and to promote a professional appearance, the Alexander von Humboldt School Montreal has a dress code.

All clothing must look and fit neatly, i.e., not be dirty, torn, or significantly too big or too small. Tops, pants, and skirts must be long enough together to cover the abdominal area. Underwear must not be visible. (Para-)military clothing will not be tolerated, nor will extreme hair colors, visible tattoos and piercings.

Rules

Tops

AvH students wear only tops (T-shirts, polo shirts, shirts, hoodies, and jackets) that they select from the official AvH collection. School uniforms are mandatory from Kindergarten on, even for one-day field trips. Items can be purchased from the following supplier:

Pants and skirts

All students are generally allowed to wear single-colour pants and skirts of their choice. Small embroideries, readings or colour accents are acceptable as long as they do not impact the unicoloured look. Elementary school students (gr. 1-4) may wear multicoloured pants/skirts. Skirts or shorts that are too tight/short/low-waisted, and jogging pants are not acceptable.

Headdress

Hats, caps, and hoods are not to be worn inside the school building.

Shoes

Students wear shoes for interior use (e.g., sneakers) during the school day. Beach sandals and flip-flops are not permitted, as is walking around without shoes.

Gym clothes

The AvH sports T-shirt is mandatory. Gym pants (student's own choice) are black. Sportswear (including AvH team clothing) is worn only for sports classes or other sports activities. Sports shoes inside the gymnasiums are mandatory, the soles must be suitable for indoor sports (basketball, futsal, volleyball, etc.). Jewellery must be removed or covered during sports classes.

The dress code was adopted by the general conference on June 20, 2022 and approved by the Board of Directors on June 21, 2022.
