

## *Welcome to a delicious new school year!*

---

Dear Parents of AVH International School,

We are thrilled to introduce ourselves as Traiteur Saporito, new catering team for your children's lunch program! We know how important nutritious and appealing meals are for growing minds and bodies, and we're committed to providing a lunch experience that both parents and students will love.

Our team has a passion for fresh, wholesome ingredients and creating balanced meals that are also kid-friendly. We'll be focusing on a diverse menu that includes a variety of fruits, vegetables, lean proteins, and whole grains, all prepared with care and an emphasis on flavor. We also understand the importance of accommodating dietary needs and allergies, and we'll be working closely with the school to ensure all students are safely and happily fed.

We're really looking forward to becoming a part of the school community and serving your children. You'll be receiving more information soon regarding our menus, ordering procedures, and how we plan to keep you informed throughout the year.

In the meantime, if you have any initial questions, please don't hesitate to reach out to the school administration.

Here's to a year of healthy and happy lunches!

Sincerely,

The Traiteur Saporito Team
